

# Class of 2018

Dear Parent or Guardian,

Over the years senior parents have maintained the tradition of recognizing the hard work and dedication put forth by their graduating senior. Not only does placing an ad in the yearbook bring special attention and admiration to your upcoming graduate, it also helps to underwrite the cost of printing the yearbook.

In your ad consider including a memorable childhood picture(s) and/or senior picture, words of wisdom, or congratulatory message. All pictures should be labeled with the student's name so that they can be returned.

Thank you, in advance, for your support and should you have questions, feel free to contact a yearbook sponsor. Candace Kruse and Kelly White co-sponsor the production of the yearbook.

We look forward to seeing your memento.
